

## **The OR to the Office** *No Cost to Physician*

Encompass is a full service company that provides everything necessary to complete a successful medical procedure in your office. Our services include an OR, ACLS Certified Nurse and the scheduling of a Board Certified Anesthesiologist brought to your office.

We pride ourselves in following the OSHA, JHACO, HIPPA and AORN standards. All logging of sterilization is completed by our ACLS certified nurses. We follow all bio-medical compliance of equipment.

**We currently offer the following procedures to the greater Dallas, San Antonio Ft. Worth, Austin, and Houston areas:**

- Endometrial Ablations
- Hysteroscopic tubal sterilizations
- LEEP Service (with or without anesthesia)
- Diagnostic/Operative Hysteroscopy
- Urodynamic testing (*5 codes included*)
- Difficult Pap Tests
- Labial Reductions
- D and C's
